

In 2020, we diversified the membership platform to include seasonal offerings to go along with the traditional year-round model. We now offer 4 different categories of membership:

Four Season- The standard year-round membership that includes access to almost all amenities 365 days a year. (Base level does not include access to Gray's Crossing Pool/Fitness)

Pavilion- Grants access to the Pavilion clubhouse at Old Greenwood all year long. The Pavilion is the main hub of Club operations and contains 2 pools (Family and Adults Only), tennis, pickle ball, gym, free fitness classes, and a restaurant with poolside service. This membership type does not include benefits or privileges at any winter/Mountain amenities. But you have the option of adding golf to the package, and you can attend all member events except those that take place at Mountain facilities. Pavilion Members receive the same access and benefits as their Summer counterparts.

Summer- Full access and privileges at the Pavilion at Old Greenwood, access to full array of summer programming and member events, plus preferred rates and tee time access at both TMC golf courses- Old Greenwood and Gray's Crossing. Membership covers the months of May-October, and you have the option of paying dues in 6 or 12 month installments. Upgrades to unlimited golf are available for some or all members of your family. Major emphasis on Kids Summer Camps, daily activities for kids in golf/tennis, outdoor adventure activities, and couples events

Mountain- Grants access to both TMC amenities at Northstar Ski Resort: Alpine Club and Schaffer's Camp. Alpine Club is the member's only lounge and ski valet in the Village at Northstar. Ski and snowboard equipment storage plus a lounge/bar with après ski menu. Schaffer's Camp is our ski-in, ski-out restaurant located on the mountain at 8000 ft. Open for lunch and the occasional member event. Membership includes shuttle service from Old Greenwood to Northstar so you do not have to deal with parking. This membership covers the months of November-April, and you have the option of paying dues in 6 or 12-month installments.

The two golf courses are semi-private and open for public play. Every other Tahoe Mountain Club facility/amenity is fully private, members and guests only.

ALL MEMBERSHIP CATEGORIES ARE AVAILABLE IN SINGLE, COUPLES AND FAMILY FORMATS
